All Online Fixed Term deposit accounts currently mature into a similar term on maturity.

The 3 month Online Fixed Term Deposit account is no longer available to new customers. All Online Fixed Term accounts currently mature into the same product and term on maturity. You can only transact on the Online Fixed Term account by using our internet and telephone banking services. You cannot transact on the account by visiting our branches, however you are able to close Online Fixed Term Deposit accounts in the branch with the required ID and address verification.

\*Interest on Resident Accounts is paid net of Deposit Interest Retention Tax (DIRT), which persons aged 65 or over, or persons who are permanently incapacitated and their respective spouses may be entitled to reclaim.

Interest is paid on maturity (excluding the Interest First account, for which the total interest is paid within 30 days after account opening).

On the maturity date of a Fixed Term Deposit account (excluding Online Fixed Terms accounts) the total balance will be automatically re-invested into an Instant Access variable rate account unless re-investment instructions are received.

For non-personal accounts opened in the branch and the rates applicable please refer to our Non-Personal rate sheet.

All non-personal accounts of more than €2 million and all new Credit Union accounts and rates will be managed directly by PTSB Corporate Deposits. For non-personal accounts of more than €2 million different interest rates may apply – please ask staff for details of rates and options available to you. Pension accounts cannot be opened through the branch from the 24th July 2020

Gross Rate is the daily interest accrual rate. Gross Return is the term maturity rate of return. Annual Equivalent Rate (AER) illustrates what the interest would be if interest was paid each year. Our AER calculation assumes that the account is held for a year and that the interest rate remains constant.
