# INTRODUCTION

The purpose of this guide is to assist you with the completion of the Standard Financial Statement (SFS), which your mortgage provider must use to obtain financial information from you under the Mortgage Arrears Resolution Process (MARP) framework set out in the Code of Conduct on Mortgage Arrears ('CCMA') 2013. An SFS is also required to be used by debt management firms (debt management firm SFS) under the Consumer Protection Code 2012, as amended (the Code)

## What is the Standard Financial Statement?

The SFS helps you to set out your current financial situation. After you complete it, your mortgage provider will assess your information as part of the Mortgage Arrears Resolution Process (MARP). Your mortgage provider will then explore whether they can offer an appropriate and sustainable alternative repayment arrangement (ARA) on your mortgage.

It is important to keep in mind that all of the information and documentation that you provide should be accurate and up-to-date in order to ensure a quick assessment and a better customer experience. You should also feel free to share any other information regarding your financial circumstances that you think may be necessary.

## Supports available when completing your SFS

Your mortgage provider has the obligation to assist you with completing your SFS. To do so, your mortgage provider should make any supports they have available to you, such as guidance documents and the possibility to make appointments with specially trained staff.

To help you to complete the SFS, you can also seek independent advice from the Money Advice and Budgeting Service (MABS) or alternative debt advisory services from, for example, a financial advisor.

**MABS** is a free, confidential and independent service which will help you to complete the SFS. They will talk you through the SFS and give you advice about the supporting documents you may need to provide. Call the MABS helpline on 0818 07 2000 and/or visit [mabs.ie](https://mabs.ie)

**Abhaile** is a service to help homeowners find a resolution to home mortgage arrears. Depending on your situation, Abhaile provides vouchers for you to get financial advice, legal advice or insolvency advice and help from experts. The vouchers are available through MABS.

**Mortgage to Rent (MTR)** scheme is a government scheme to help homeowners who are at risk of losing their homes due to mortgage arrears. For more information visit [mortgagetorent.ie](https://mortgagetorent.ie).

The Central Bank is also committed to assisting you in the completion of your SFS. This guide has been designed to provide you with comprehensive details about the documentation you need to gather to complete the SFS, as well as the information you must input in the form. Each section of this guide mirrors the sections of the SFS. A checklist of documents you may need to provide to your mortgage provider to support your completed SFS is also available in Section 1 of this guide.

## Section C: My Monthly Income

This Section asks for details of all your monthly income, e.g., your wages, social welfare benefits, rent and any other type of income you might receive.

If you face seasonal or irregular income, please engage with your mortgage provider for further assistance on completing this section. To help you calculate your monthly income where it's not received on a monthly basis:

If you receive your income on a weekly basis, multiply the weekly figure by 52 and divide by 12 to get your monthly total:

$$\text{Monthly income} = \frac{\text{weekly income} \times 52}{12}$$

If you are paid every two weeks or fortnightly, multiply the figure by 26 and divide by 12 to get your monthly total:

$$\text{Monthly income} = \frac{\text{fortnightly income} \times 26}{12}$$

## Section D: My monthly household expenditure

This Section asks for details of all of your outgoings, calculated on a monthly basis. To assist you in the completion of section D, you can consult the Reasonable Living Expenses Guidance published by the Insolvency Service of Ireland available on [isi.gov.ie/en/ISI/Pages/home](http://isi.gov.ie/en/ISI/Pages/home).

It is important that the figures you include below are based on your household's individual circumstances. When calculating the average monthly cost for each of the expenses, you should seek to include the examples of items listed below in your figure for 'average monthly cost'. You only need to include costs that are relevant to your household.

Please keep in mind that some of your current expenditures may be reduced by, for example, switching insurance providers. Don't hesitate to shop around. For further information on switching, please consult [ccpc.ie](http://ccpc.ie).

### To get the monthly figure you should:

Weekly: multiply the weekly figure by 52 and divide by 12 to get your monthly total:

$$\text{Monthly figure} = \frac{\text{weekly figure} \times 52}{12}$$

Every 2 Weeks or fortnightly : multiply the figure by 26 and divide by 12 to get your monthly total:

$$\text{Monthly figure} = \frac{\text{bi-weekly figure} \times 26}{12}$$

Every 2 Months: multiply the figure by 6 and divide by 12 to get your monthly total:

$$\text{Monthly figure} = \frac{\text{bi-weekly figure} \times 6}{12}$$

Quarterly: divide the figure by 3 to get your monthly total:

$$\text{Monthly figure} = \frac{\text{quarterly figure}}{3}$$

Every Year: divide the figure by 12 to get your monthly total:

$$\text{Monthly figure} = \frac{\text{monthly figure}}{12}$$
