1. First steps to switching your mortgage

So what's involved in switching your mortgage?

Firstly you will need to complete an application. Your Mortgage Consultant will be there to help you every step of the way.

15-Minute Approval in Principle (AIP):

We'll let you know how much you can borrow, and you'll move another step closer to switching your mortgage. Please note that AIP is only an indication of how much we could lend and is not legally binding.

Mortgage Credit Approval in 72 Hours

Once you've completed and submitted your application we'll be working hard to get you Mortgage Credit Approval in 72 Hours, meaning you can leave your application with us. Now you can get going on the rest of the items on your to do list, like starting to look for your new home.

Getting your offer:

Once your application for credit is approved, you will be required to arrange for a valuation of your property. A credit check will also be undertaken on all applicants of the mortgage. When this is complete and everything is in order, your full Letter of Approval (also known as a credit agreement) will issue. Once this happens your solicitor will work with PTSB and your existing mortgage provider to finalise your switch. Please see 'The Legal Steps' on page 11, for more details.

Insurance:

Before you drawdown your mortgage, you will need to arrange for both life assurance and home insurance policies to be in place.

If you have existing policies, it may be possible to keep these policies therefore, you should consider whether, and how the existing insurance policy may be maintained.

Our Insurance Consultants are more than happy to take you through everything you need to know on insurance. You can also call them on 0818 818 748 or +353 1 655 0548, or you can look for cover elsewhere. Whatever suits you!

Home Insurance

Home Insurance options are arranged by Permanent TSB plc and underwritten by Allianz plc permanent tb is appointed as a Single Agency Intermediary of Allianz plc for Home Insurance. Allianz plc (trading as Allianz) is regulated by the Central Bank of Ireland.

Life Insurance

Permanent TSB plc is tied to Irish Life Assurance plc, for life and pensions products. Irish Life Assurance plc is regulated by the Central Bank of Ireland.

Accepting your offer:

Once you've accepted your offer and all requirements as specified in your credit agreement are met, you're on your way to completing the mortgage switching journey and saving thousands!

Please see page 14-15 for full terms and conditions.

2. The legal steps

There are 7 key steps that involve your solicitor when you are switching your mortgage.

1. Your solicitor will request your title deeds and the amount outstanding on your existing mortgage from your existing lender; this will be paid off with the proceeds of the new loan.
2. Once your loan is approved by PTSB, a 'loan pack' will be sent to your solicitor. The loan pack will contain PTSB's mortgage documentation. The solicitor will meet you to go through the loan offer letter and loan conditions. If you are satisfied to proceed with the new loan offer, your solicitor will require you to sign the mortgage documentation.
3. Your solicitor will review your title deeds and will undertake:
 - To 'Certify' the title to PTSB.
 - That the new mortgage will be registered on your property as a 'First charge'.
 - That the 'Title deeds' will be sent into PTSB when the 'New charge' has been registered on the property.
4. PTSB, at your solicitor's request, will send the proceeds of the new loan to your solicitor. Before drawing down the loan, you will need to ensure that all property insurance and mortgage protection insurance is in place.

Switching your mortgage isn't as difficult as you might think, especially when you've got PTSB support every step of the way.

To make an appointment with a PTSB Mortgage Consultant call us on 0818 800 205 or +353 a 655 005 or visit [ptsb.ie](https://www.ptsb.ie).

5. Your solicitor will then use the proceeds of the new loan to pay off your existing mortgage in full. The charge in respect of your existing loan will then be removed from your title by your existing Lender.
6. Your solicitor will then register your new mortgage to PTSB with the Property Registration Authority.
7. Your solicitor will send your title deeds to PTSB. PTSB will retain the title deeds until the new loan has been repaid.

Note: If you are switching a Buy to Let property with a value of more than €75,000, step three above changes slightly. PTSB will appoint its own solicitor to act for them in accepting the certificate of title from your solicitor. You may have to pay a completion of security fee to PTSB's solicitor.

Definitions:

Title Deeds:

Legal documents showing your ownership of the property and could include other miscellaneous documents such as planning permissions, architects certificates of compliance with planning conditions etc.

Certify:

Professionally confirm, having carried out the necessary checks.

First Charge:

For further information on switching mortgage lender or mortgage type, please visit the Competition and Consumer Protection website:

www.cccpc.ie/consumers/money/mortgages/switching-lenders-or-mortgage/

Important Information

Lending criteria, terms & conditions will apply. Mortgage approval is subject to assessment of suitability and affordability. Applicants must be aged 18 or over. Security is required and credit agreement will be secured by a mortgage or by a right related to residential immovable property. Life and Home Insurance are also required.

For First Time and Second Time Buyers a maximum Loan to Value (LTV) of 90% will apply to a property's purchase price. The maximum LTV for customers who hold their current mortgage with another bank but wish to switch their mortgage to PTSB while also releasing equity is 85%. Maximum loan amount will typically not exceed 4 times an individual's gross income for First time Buyers & 3.5 times an individual's gross income for Second time Buyers.

The monthly repayment on a 20 year mortgage with Loan to Value (LTV) greater than 80% with variable borrowing rate of 4.70% on mortgage of €100,000 is €643.50 for 240 months. Total amount repayable is €154,799.06. If interest rates increase by 1% an additional €55.73 would be payable per month. For this example, Annual Percentage Rate of Charge (APRC) of 4.84% applies and consists of variable borrowing rate of 4.70%, valuation fee of €150, Property Registration Authority (PRA) fee of €175, and security vacate fee of €35. Information correct as of 31/03/2025 but is subject to change.

Variable Rate Loans

WARNING: THE COST OF YOUR MONTHLY REPAYMENTS MAY INCREASE.

WARNING: THE PAYMENT RATES ON THIS HOUSING LOAN MAY BE ADJUSTED BY THE LENDER FROM TIME TO TIME.

Fixed Rate Loans

WARNING: YOU MAY HAVE TO PAY CHARGES IF YOU PAY OFF A FIXED-RATE LOAN EARLY

Whenever (i) repayment of a loan in full or in part is made or (ii) with the agreement of PTSB, the loan is switched to a Variable Rate Loan or other Fixed Rate Loan, before expiry of the Fixed Rate period (hereinafter called the "Early Termination"), the applicant shall, in addition to all other sums payable as a condition of and at the time of the Early Termination, pay a sum equal to the PTSB's estimate of the loss (if any) arising from the Early Termination. In the calculation of the said loss, PTSB shall endeavour to apply in so far as it is fair and practicable.

This is how the fee is calculated;

$$C = (I-S) \times R \times (M-T)/12$$

"C" is the charge to compensate for the loss (if greater than 0),

"I" is the swap/market fixed interest rate for the term of the fixed rate period at the date of its commencement,

"S" is the swap/market interest rate for the

remaining fixed period,
 "R" *is the amount of the fixed rate loan
 balance paid or switched at the date of
 Early Termination,
 "M" is the fixed rate period (in months) and,
 "T" is the time expired of the fixed rate
 period at the date of Early Termination
 (in months).

Here is a worked example; "I" = 5%, "S" =
 3%, "R" = €100,000, "M" = 24 months, "T" =
 12 months.

$$C = (5\% - 3\%) \times \text{€}100,000 \times (24 - 12) / 12$$

$$\text{So, } C = 2\% \times \text{€}100,000 \times 12 / 12$$

$$C = \text{€}2,000$$

*For the purposes of the above fixed rate mortgage breakage fee worked example, a fixed balance of €100,000 representing the loan balance to be paid or switched at the date of Early Termination is used for "R". In the actual calculation of the fixed rate mortgage breakage fee payable to the Bank, a reducing loan balance approach is used to calculate "R". This approach is used to take into account the fact that, after the switch or Early Termination, the loan balance typically reduces due to scheduled repayments for the remainder of the fixed rate period. The fee calculated using a reducing balance approach will always be lower than the fee calculated using a fixed balance approach. Please contact your local PTSB branch for further information.

Important Information for Mortgage Credit approval in 72 Hours

72 hours starts once your application is completed and submitted for credit assessment during business hours. Excludes weekends. If any documentation is missing or additional information is required to reach a credit decision, we will notify you which may impact the decision time.

Important information for Mortgage Rates & Monthly Repayments

Rates available to new and existing home mortgage customers only, product eligibility criteria applies. Maximum loan to value is 90%. Security and Insurance is required.

Important Information for 2% Cashback at drawdown

The 2% cashback at drawdown is paid on the amount of the mortgage advanced and will be paid to the loan applicant who receive their full Letter of Approval up to 30 September 2025 or such other extended period as PTSB may decide ("Expiry Date"). However if the Letter of Approval, which issued on or prior to the Expiry Date, is later amended after the Expiry Date, the applicant cannot avail of the 2% cashback in respect of the applicant's loan. The 2% cashback at drawdown offer is not available to 4 Year Fixed Home Loan New Business Rates, tracker, buy-to-let, negative equity and applicants refinancing an existing PTSB mortgage. 2% cashback at drawdown is paid 40 working days post-mortgage loan drawdown, into the applicant's mortgage

paying account (which does not need to be a PTSB current account).

Important Information for 2% Cashback monthly

2% cashback monthly offer applies to home loans only (i.e. excludes buy-to-let). 2% cashback monthly is available to home loan applicant(s) who receive their full Letter of Approval on or before 30 September 2025 ("Qualifying Period"). However if the Letter of Approval, which issued within the Qualifying Period, is amended after expiry of the Qualifying Period, the applicant cannot avail of the 2% cashback monthly in respect of the loan advanced under the amended Letter of Approval. Similarly where, after the Qualifying Period has expired, an applicant refinances a loan which has the benefit of the 2% cashback monthly, the 2% cashback monthly will not apply in respect of the refinanced loan and no 2% cashback monthly benefit will be paid to the applicant thereafter.

The billed monthly Mortgage payment must be made on the payment due date or on any date on which PTSB will seek payment of the monthly repayment before the next payment due date. If all arrears are collected as part of the mortgage payment, only the scheduled monthly mortgage repayment amount will qualify for cashback.

The applicant's billed monthly repayment must be made from their PTSB Explore Account and must be made by Direct Debit or by Internal Standing Order (also referred to as an "internal payment") drawn on their Explore Account. Payments made otherwise do not qualify for the 2% cashback monthly - see below*. The applicant must be the holder of an Explore Account. 2% cashback monthly will be paid until 31 December 2030. Cashback will be credited to the Explore Account (or other nominated and permitted PTSB account). Applicants are bound by the set off provisions referred to in the Terms & Conditions of the Explore Account in relation

to any cashback due to the applicant under these conditions.

The Explore Account carries an €8 monthly fee for maintaining the account. This is not included in the calculation of the APRC for the mortgage. If either the Explore Account is closed or the Mortgage loan is paid off or, in the case of a refinanced loan, where the refinance takes place after expiry of the Qualifying Period, then the 2% cashback monthly will cease. PTSB retain the right to close the Explore Account as per the General Terms and Conditions. Changes to the billed monthly repayment must be agreed by both parties (for e.g. Flexible Options over/under payments) to be eligible for cashback monthly offer. Payments made in addition to any billed monthly repayment paid under an Alternative Repayment Arrangement (whether agreed by PTSB or otherwise) will not qualify for the 2% monthly cashback.

*Qualifying payments must be made via Direct Debit or Internal Standing Order from a PTSB Explore Account. Payments made in cash; cheque; bank draft; Electronic Funds Transfer; by debit/credit card, manual Direct Debits and Standing Orders set up by the customer, lump sum payments, returned or arrears payments do not qualify for cashback.
