CENTRAL CREDIT REGISTER

The Central Credit Register is a new secure database of personal and credit information for loans of €500 or more. It has been set up under the Credit Reporting Act 2013 and is operated by the Central Bank of Ireland.

Qualifying credit agreements covers all loans including credit cards, mortgages, overdrafts and personal loans.

Under the obligations set out in the Credit Reporting Act 2013, which apply to all lenders, Permanent TSB is required to send personal and loan information on Mortgages, Credit Cards, Personal Loans and Overdrafts to the CCR. This includes personal information already collected, such as your:

- Name
- Address
- Date of Birth
- Personal Public Services Number (PPSN)

Credit reports based upon the information supplied by lenders will be available from the CCR and may be accessed by you and by lenders. A score or grade will not be calculated on the credit report.

It is important to note that if you do not keep up repayments on loans you have with us, the missed repayments will be reported to the CCR and will appear on your credit report. This may affect your future ability to borrow.

In addition, should you enter into a restructure arrangement arising out of financial difficulties, the bank is required to report this restructure to the CCR.

Your Rights

Insert an explanatory statement on your credit report

You have a right to place an explanatory statement of 200 words or less, relating to any of your information held on the Central Credit Register, and this will be included on your credit report.

SECURING YOUR ACCOUNT

To ensure you receive your statements, cards and security credentials make sure that you keep us informed regarding any change in your details, including your name, address, email address and telephone number. You can do this by contacting your branch, speaking to an Open24 agent, through our Open24 Service or by amending your address by visiting www.open24.ie.

Ensure the statements and other correspondence you receive from us are stored securely. We recommend that if you are destroying such items, that it is done so by burning or shredding the documents.

The combination of your card (or your card number, expiry date and security code) with your security credentials (which include your devices which you have registered with us) is the key to your account. You should not share these combined details or your registered device with anyone.

When you receive your card from us, you should sign it immediately and you should immediately destroy all expired cards. When you receive the corresponding personal identification number for your card you should memorise it and then immediately destroy any written record of it. You can change this personal identification number at an automated teller machine (ATM) should you wish to do so.

You must keep your card, card number, expiry date, personal identification number and any additional card related security credentials safe. Your card is for you and your use only. Even if you have authorised a third party payment service provider, you should never share your card details or your registered device with them.

When using your card at an automated teller machine (ATM) or at any cash or point of sale machine, be aware of the people around you and of anything out of the ordinary with the machine, shield the keypad when keying in your personal identification number and conduct your business promptly by taking your card. If you are withdrawing cash make sure to take the cash and any transaction receipt before leaving the machine. Ensure all receipts are kept secure or destroyed.

If your card or your registered device is lost or stolen, you should immediately notify us through our website or using the 24-hour telephone number provided on www.permanenttsb.ie. It is very important that you tell us as soon as you discover the loss or theft, as you may be liable for some of the spending that arises from the loss, theft or copying of the card in the period before we are notified.

Should you access your account via the Open24 website or our mobile application using a mobile device, be aware of the people around you and of anything out of the ordinary when entering your Open24 number and passwords. Do not leave the Open24 website or mobile application open without having the device in your possession even for a short period of time.

You must keep your Open24 numbers and related security credentials secure and must not provide, disclose or divulge

any of them to any person. The only exception to this applies in the period up to 14 September 2019, during which time you may share your Open24 numbers and related security credentials (but not your card, card details or registered device) with a regulated third party payment service provider to whom you have given authorisation to access and / or to operate your account with us.

Where you engage a third party payment services provider to provide services involving your online accessible accounts, during the period up to 14 September 2019, they will have access to view and transact on all accounts that are available for you to view on our Open24 Service (via the mobile application or www.open24.ie).

For the avoidance of doubt, third party payment service provider access can include accounts on which you are a joint account holder or otherwise have access. You need to let any other person who has an interest in a joint account or other account to which you have access know that you have appointed a third party payment service provider. For further information on third party payment service providers and their access to your account please visit www.permanenttsb.ie.

If you think your Open24 number and / or security credentials (including your registered device) have been compromised or stolen, you should immediately notify us using the details provided on www.permanenttsb.ie. It is very important that you tell us as soon as you discover the loss, theft, or compromise as you may be liable for some of the spending or transactions that arise from the loss or theft in the period before we are notified.

If you act fraudulently, knowingly or with gross negligence in relation to the use, loss, theft or copying of the card and associated card details, your registered device and / or any associated security credentials on your account, as the cardholder and / or accountholder you may be liable for all losses.

When using cheques, be sure to correctly fill in the amount (in words and value) and the date before signing, drawing a line through any unused space. Use the counterfoil as your record. Should your chequebook be lost or stolen, contact your branch immediately. You should not write post-dated cheques on your account. If you write post-dated cheques, we may pay them if they are presented before their due date.

You should review your account details regularly by checking your statements and / or through our Open24 Service or via our mobile app.

USING YOUR INFORMATION

By opening an account with us and availing of the services associated with that account, you are acknowledging that we may access, use and retain the relevant information (including personal data) for the purposes of providing you with the account and associated services and for the purposes and in the manner described to you when we collect your information and as set out in our Data Protection Notice, available on our Website.

AMENDING AND CANCELLING PAYMENTS ON CURRENT ACCOUNTS

Once received by us for execution all payments are irrevocable. However, if you wish to amend or cancel an instruction that you have given us we will use our reasonable endeavours to make such amendment or cancellation if it is possible for us to do so. Any amendment or cancellation instruction should be given in writing to your branch or through the Open24 Service. Direct debits may be cancelled up until the end of the business day preceding the day agreed for debiting the funds unless agreed otherwise between you, us and the payee of the direct debit. Standing orders must be cancelled or amended no later than 4 business days before the payment due date.

Cheque payments may be stopped before they have been presented for payment. Such requests should be made in writing to us or through our Open24 Service. We reserve the right to charge for this service.

COMPLAINTS PROCEDURE

We are committed to providing you with the highest standard of service. We hope that you never have any reason to complain to us, but if you do, we want to hear from you so that we can address your concern as quickly and as fairly as possible. We will deal with your complaint in accordance with our internal complaints procedure, as set out in our terms of business and detailed on www.permanenttsb.ie.

We will do our best to resolve the matter to your satisfaction through our internal complaint procedures as set out in our terms of business and on www.permanenttsb.ie. If you are still unhappy with the outcome of your complaint you may refer the matter to the Office of the Financial Services and Pensions Ombudsman.

The Ombudsman is an independent statutory body whose services are available free of charge to customers who have unresolved complaints with their service provider. The Ombudsman will only become involved after the matter has been processed through our internal complaint procedures so it is important that you firstly give us the opportunity to resolve your problem.

 - (vii) the Card or Registered Device is not lost or stolen but is in the possession of a third party with or without your consent; or
 - (viii) the Card is retained by the ATM.

- (h) If we suspect that a Card, Registered Device and / or Account is being used improperly, fraudulently or in breach of the Agreement or of actual or suspected security threats, we may decline to authorise any further transactions on the Account. We will endeavour to contact you before we take this decision but this may not be possible. You hereby agree and authorise us to take such actions as we deem necessary including suspending the Account in such circumstances. You agree that any contact by us in such circumstances is for the purposes of combating wrongdoing and is not connected to the Agreement. This includes any instruction we receive from a TPP. We shall not be obliged to act on any instruction which we reasonably believe to be in breach of any law or regulation.
- (b) On receipt by us of a facsimile instruction, we may (but will not be obliged to) contact the individuals identified as “call back” contacts specified in the indemnity for facsimile instructions signed by you. Where we do contact you, we will use such “call back” contacts for confirmation of your instruction. You accept that where we cannot make such a phone call or cannot authenticate such instruction in this manner, such instruction will not be acted upon and the payment requested will not be processed. For this purpose, you agree to keep us informed as soon as any change is made to any details regarding “call back” contacts. In the event that we cannot process the payment for the above reasons, we shall write to your address on the Account records informing you of such an eventuality, the address being the business address if the payment is drawn on your business account or your personal address if drawn on your personal account.

- (c) Where you deny authorising us to act on an instruction, including without limitation any instruction received through the Open24 Service or our App, it is our responsibility to prove that the instruction was accurately authenticated, recorded, entered in the Accounts and not affected by a technical breakdown. In this regard, we may not rely solely on the fact that the instruction was authorised in accordance with your Security Credentials or your TPP's security credentials or a Secure System. The use of any such Security Credentials will also be insufficient by itself to prove that you have intentionally, or because of your gross negligence, failed to adhere to these Conditions or failed to keep the aforementioned Security Credentials safe.
 - (d) Notwithstanding the above, entries in the Account in respect of transactions effected by Cash Machine or Chip enabled terminals or using any Security Credentials associated with a Card shall be a relevant factor in evidencing of such transactions.
 - (e) If you deny that your Card and if applicable, your Security Credentials have been used to execute a transaction or you allege that such a transaction has been incorrectly executed, we shall show by providing an abstract of our own internal records that the operation was accurately recorded and entered into the Account and was neither effected nor affected by a technical breakdown or other deficiency.

If an incorrect amount is debited or credited to your Account, we may make any necessary correcting entry on your Account without reference to you.
 - (d) Subject to the liability provisions in Condition 22 below, unless you have reported to us any error or discrepancy in Account statement, within 30 days after it is made available to you, the statement shall be deemed to have been confirmed by you whether or not you have actually done so, to the intent that, save for any obvious error, the statement shall as regards you thenceforth be conclusive evidence of the correctness of the entries recorded therein.
 - (e) Furthermore, the failure to make any such report or confirmation within the periods mentioned above, or the making of a confirmation shall constitute a representation by you to us that the statement is correct and shall be an agreement by you that we shall thenceforth not be liable for any loss to which you may suffer howsoever arising in relation to any entries or the balance appearing in the statement.
 - (f) In the event of any inconsistency between our records as to the Account balance and the Account balance as stated in the Account statement, passbook (if applicable) or letter of confirmation, our records shall be conclusive evidence of the Account balance and the interest accrued thereon.

22 OUR LIABILITY TO YOU

(a) Liability generally.

In addition to any other duty of care at any time owed by you to us and except as otherwise set out in these Conditions, it shall be your duty to take all proper and reasonable measures in the conduct and management of each Account so as to prevent loss or damage of any kind to either you or us, and you shall be solely responsible for any loss or damage caused by a breach of this duty.

To the extent permitted by law and except as otherwise set out in these Conditions, we will not be liable for, and shall be indemnified in full by you against, any loss, damage or other liability that you or we may suffer arising out of or in connection with any payment from, or payment or intended payment to, your Account unless such loss, damage or liability is caused by our fraud, wilful default or lack of reasonable care. In no circumstances will we be liable for any increased costs or expenses, or for any loss of profit, business, contracts, revenues or anticipated savings, or for any special, indirect or consequential damage of any nature whatever.

Where we provide you with services which are not subject to the Payments Services Directive, we shall not be liable to you for any delay or failure caused or charge incurred by any intermediary or agent bank or any clearing or settlement system.

We are not liable for any loss or damage arising from any refusal to carry out any instruction for a payment from your Account where we are entitled to do so in accordance with these Conditions or by law, or for any loss or damage you may suffer as a result of the way in which any such refusal is communicated to you or to others.

You have the right to request details of unauthorised or incorrectly executed transactions on your Payment Account in order to recover your funds. We will, upon receipt of your written request, provide details of any incorrectly executed instruction to the relevant bank for the purpose of retrieval of your funds.

(b) Unauthorised Payments.

Notwithstanding Condition 22(a) above, we will, in accordance with our obligations under applicable law and subject as hereafter mentioned, refund to you the amount of any payment or withdrawal debited to your Account which was not authorised by you and, where necessary, restore your Account to the state it would have been in had the transaction not taken place.

However:

- (i) this Condition 22(b) only applies where you are a Consumer or Micro Enterprise.
 - (ii) If the unauthorised payment, including those initiated by a PISP, resulted from the loss or theft of any Card, Device, Security Credentials or failure to follow any security procedures and / or the Operating Instructions or your failure to keep the Card, Devices or Security Credentials safe and secure, you will be liable for the first €50 of loss suffered by you.
 - (iii) Except where you have acted fraudulently, you will be liable for the initial €50 of your loss, unless the theft or misappropriation of your Card, Device or Security Credentials was not detectable by you prior to a payment, or the loss was caused by acts or lack of action of any of our employees, agents, branches, our service provider or subcontractors.
 - (iv) You will be liable for the full amount of unauthorised payments where:
 - a) you intentionally, fraudulently, or with gross negligence fail to adhere to the safe keeping requirements and / or non-disclosure obligations in respect of your Security Credentials;
 - b) any Card is used by any person outside the terms of this Agreement and who has possession of it with your consent; or
 - c) you have intentionally, or because of your lack of reasonable care, failed to notify us without undue delay of the loss, theft or misappropriation of the Card or any Security Credentials or failure to follow any procedure.
 - (v) If there is undue delay on your part in notifying us of the unauthorised payment, we will not be liable to make good any loss you suffer. We will normally consider that there has been undue delay in this regard if you fail to notify us within 30 days after receipt by you of a statement for your Account showing the relevant debit to your Account.
 - (vi) In any event a failure to notify us within 13 months of the payment being debited to your Account will always amount to undue delay.
- (c) In the case of incorrectly executed and non-executed payments, notwithstanding Condition 22(a) above, we will, in accordance with our legal obligations and subject to the following requirements, be liable to you for the correct execution of any instruction to make a payment from your Account properly given by you to us in accordance with the requirements of these

Conditions. However, this Condition 22(c) only applies where you are a Consumer or a Micro Enterprise and

- (i) you provided us with the correct Unique Identifiers for the payment in question;
- (ii) there is no undue delay on your part in notifying us of the incorrect or non-executed payment. We will normally consider that there has been undue delay in this regard if you fail to notify us within 30 days of the relevant account statement. In any event a failure to notify us within 13 months of the incorrect payment will always amount to undue delay, unless the relevant information was not made available to you by us; and
- (iii) none of the events detailed in Condition 25 (Force Majeure) prevented us from making the payment.

We shall have no liability to you under this Condition 22(c) where we can prove to you and, where relevant, the payee's bank, that the payment was received by the payee's bank within the applicable timeframe.

Where we are liable under this Condition 22(c), we will refund to you, immediately, and in any event no later than by the end of the Business Day following notification, the amount of the non-executed or incorrectly executed payment and, where applicable, restore your Account to the position it would have been in had the non-executed or incorrectly executed payment not taken place.

Regardless of the issue of liability, where you notify us of an incorrectly executed payment, we will make immediate efforts to trace the whereabouts of the defective payment and inform you of the results of such efforts.

We are not responsible for any delay or error which arises if you have provided an incorrect unique identifier to us or a TPP. We shall only be liable as set out in these Conditions.

For the avoidance of doubt, but subject to the foregoing, where we are providing you with services related to your Payment Account we will be liable to you for any charges and any interest levied by us to which you are subject as a result of our non-execution or defective execution of a payment for which we are responsible.

- (d) In the case of incorrectly executed and non-executed Direct Debits, notwithstanding Condition 22(a) above, in accordance with our legal obligations and subject to the following requirements, where, acting as the payee's bank, we fail to correctly transmit the payment request under a Direct Debit to the payer's bank, we will immediately retransmit the request for payment and advise you accordingly.
- (e) Where a payment is initiated by a PISP, we will refund to you, immediately and in any event no later than one

Business Day following notification of your request, any amount incorrectly debited to your Account as a result of any unauthorised, defective, non-executed or incorrectly executed payment and where applicable restore your Account to the position it would have been in that payment not taken place.

23 THIRD PARTY PROVIDERS

- (a) You (and any Joint Account Holder) are responsible for providing explicit consent to any regulated TPP to provide AIS, PIS or card based payment services to you. To permit us to share your information with that TPP, as outlined below, your appointment of and explicit consent to an AISP or PISP will be sufficient consent. In the case of a CBPII providing services to you, you will need to provide explicit consent directly to us as set out in Condition 23(g) below.
- (b) In the period up to 14 September 2019, you must ensure that any TPP you instruct is a regulated TPP. After 14 September 2019, there will be no need for you to share your Security Credentials with any TPPs, and you should not do so. However, from 14 September 2019, you will need to have a Registered Device if you wish us to engage with a TPP which you have appointed. Use by a TPP of your Security Credentials(s) is deemed to be use by you and / or the Joint Account Holder(s).
- (c) If you authorise a TPP to access your Account(s), you acknowledge that in the period up to 14 September 2019, the TPP will be able to access all information in relation to all of your online accessible Account(s), including your Joint Account(s) and any term lending or mortgage Account you may have.
- (d) If you no longer wish to use a TPP service, you should contact the TPP directly to inform them of your decision. If you have shared your Security Credentials with a TPP, you should note that they may still have access to your online accessible Accounts (including your online accessible Joint Account(s)) unless you change your Open24 details. You can do this through Open24 or by contacting us by phone. Further details are available on our Website.
- (e) If you change your Open24 details prior to 14 September 2019, you will need to inform any additional TPPs you may have authorised of these changes, if you wish those TPPs to continue to provide PIS or AIS to you during the period up to 14 September 2019.
- (f) Where you authorise a PISP, we shall be entitled to rely on any payment initiation instruction issued by that PISP as though it is your instruction. We will act on it as though you provided the instruction directly to us, unless you have demonstrated to us that you have instructed the TPP to cease using your Account (and in the period up to 14 September 2019, that you have also changed your Open24 details).

- (g) Where you appoint a CBPII, we will respond to any request from that CBPII, seeking to find out if money is available on your relevant Payment Account, which you verify with us using your Security Credentials.
- (h) We are not responsible for any use of your online accessible Payment Account(s) or information relating to your online accessible Account(s) by any TPP appointed by you. Use of your online accessible Payment Account(s) and your personal data by any TPP shall be governed by the contract or agreement between you and that TPP.
- (i) If you suspect a TPP, which is not a regulated TPP or a TPP to which you have not given your explicit consent, has accessed your online accessible Account(s) or has initiated an unauthorised transaction or series of transactions on your online accessible Account(s), you should contact us using the notification procedures set out in Condition 15.
- (j) We can only stop acting on the instructions of a PISP or an AISP if you have demonstrated to us that you have instructed the PISP or AISP to cease using your Account. We will not be able to revoke a payment order received from you or a TPP on your behalf, unless there is agreement from us, the account holder who is to receive the payment and any other payment service providers involved in that specific transaction. This does not prejudice any rights you may have to a refund in accordance with these Conditions.

The General Conditions, to the extent applicable, are deemed to be incorporated into these Facility Conditions. We may terminate any Facility in accordance with these Facility Conditions without terminating any other product or service we provide to you. If there is any conflict between these Facility Conditions and the General Conditions, these Facility Conditions will prevail.

2 FACILITY

Any Facility, if approved, will be a euro facility, (unless otherwise stated). You may drawdown on the Facility at any time up to a maximum of your approved credit limit (or any increase or decrease thereof as notified to you) on your Account on which the Facility is made available. Please note that cheques/debits presented over and above the prevailing credit limit may be returned unpaid item and an unpaid fee charged without notification or advice to you. The giving of notice or advice to you on any occasion or occasions shall not oblige us to notify or advise you on any subsequent occasion.

3 VARIATION OF CREDIT LIMIT

We may vary your credit limit by giving you 10 days' notice or such other notice as is legally required. If you request the variation, we may notify you that it is to take effect immediately.

4 REPAYMENT

In accordance with our normal practice, all amounts drawn and outstanding under the Facility and all interest and other sums payable in respect of the Facility will be due and payable, or, as the case may be, repayable at any time forthwith on demand.

5 EXPIRY

Without limiting or affecting our rights under Condition 4 of these Facility Conditions, the Facility will continue until the expiry date specified for the Facility. If no such date is specified, the Facility shall be subject to periodic review (which will normally be on an annual basis) and we may terminate the Facility at any time by giving you such notice, if any, as is legally required. If we make demand under Condition 4 of these Facility Conditions we may also prohibit any further drawdown on the Facility and

proceed to terminate the Facility by giving you such notice, if any, as is legally required. You may terminate the Facility at any time by notifying us in writing and repaying all amounts outstanding on the Facility and all interest accrued (but unpaid) up to the date of repayment.

Interest will be payable on the cleared daily debit balance under the Facility at the applicable interest rates as varied from time to time at our discretion and will be debited to your account quarterly in arrears and on final payment. Interest will accrue from day to day and be calculated on the basis of the actual number of days elapsed and a 365 day year or 366 day in a leap year (i.e. interest is calculated daily on a 1/365 day basis, except in a Leap Year where the 1/366 day basis is used).

Details of interest rates are available on our Website and in-branch. Changes to such interest rates will be notified to you in accordance with Condition 21(d) of the General Conditions. Such excess drawing, if any, cannot under any circumstances be taken by you as an implied increase in your credit limit. The rate of surcharge interest is available in the Fees Booklet.

8 SECURITY

The Facility must be secured at all times by the security, if any, specified by us. Any mortgage which we hold over a property which is a housing loan (within the meaning of applicable consumer credit law) for your general liabilities to us will not secure the Loan if it would cause the Loan to be a 'housing loan' (within the meaning of the applicable consumer credit law).

13 SPECIAL CONDITIONS

If there is any conflict between any special conditions specified by us in relation to the Facility and the Conditions, the special conditions shall prevail.

14 JOINT AND SEVERAL LIABILITY

If the Account is a Joint Account, the liability of each Joint Account Holder for the Facility shall be joint and several and the act of default of any one of the Joint Account Holders shall be deemed to be the act or default of all of the Joint Account Holders. We may release or grant time or indulgence to any of the Joint Account Holders without affecting our rights against the other(s) of the Joint Account Holders.

15 ASSIGNMENT

We may assign or transfer our rights, benefits and / or obligations in relation to the Facility and we may impart any

information concerning you or the Facility to any actual or proposed assignee or transferee. Our successors, assigns and transferees will be able to enforce and proceed upon the Facility as if a party thereto.

 - (iv) The Cardholder authorises, and does not revoke, the Debit Card Transaction in accordance with these Conditions.
- (b) Debit Card Transactions which may be effected by the Cardholder shall be subject to such daily and transaction (number and / or value) limits as shall be specified on our Website from time to time. We may vary these limits, including imposing lower limits at our sole discretion and these will be notified to you from time to time or as may be imposed by the Cash Machine Owner. The amount of cash obtained (if any) in the course of any Debit Card Transaction is limited as specified on our Website from time to time.

(c) Subject to the limits specified on our Website from time to time, we guarantee payment of Debit Card Transactions made by the Cardholder using the Card outside Ireland if:

- (i) the Card has not been deliberately altered or defaced in any way.
- (ii) the Card is presented by the Cardholder to the Retailer, the Debit Card Transaction is effected through a POS (Point of Sale) Terminal and the correct PIN is entered into the terminal; and / or a Transaction Slip is signed in the presence of the Retailer, the signature corresponds with the specimen on the reverse of the Card and is that of the Cardholder named on the Card.
- (iii) The Debit Card Transaction is completed before the expiry date of the Card.
- (iv) The Cardholder authorises, and does not revoke, the Debit Card Transaction in accordance with these Conditions.

(d) The amount of any Debit Card Transactions in a non-participating Euro currency will be converted at a rate of exchange applicable to such currency as set by the converting agent. Exchange rates may fluctuate between the date of the Debit Card Transaction and the date the Debit Card Transaction is actually debited to the Account. You will also be charged an additional commission based on the Euro value of the Debit Card Transaction. The rate of commission for using a debit card for purchases in foreign currency, outside the Eurozone or for non- Euro ATM transactions is set out in our Fees Booklet.

(e) Entries in the Card Account in respect of all Card Transactions will be relevant factors in evidencing such Card Transactions. In the case of a Debit Card Transaction, it is our responsibility to prove that the instruction was accurately authenticated, recorded, entered in the accounts and not affected by a technical breakdown.

If the Cardholder denies that his/her Card and if applicable his/her PIN or other Security Credentials have been used to make a transaction has been incorrectly executed, we shall show by providing an abstract of our internal records that the operation was accurately recorded and entered into the Card Accounts and was neither effected nor affected by a technical breakdown or other deficiency. The correct recording of previous and subsequent similar transactions shall be a relevant factor in evidencing that the system was functioning properly.

(f) You may use the Card for the purposes of a Contactless Transaction (subject to the limitations for Contactless Transactions as specified in the General Conditions and as may be altered from time to time and as specified on the Website) but we reserve the right to

require that a Contactless Transaction be effected through use of the Chip and PIN at the POS (Point of Sale) Terminal for your security and in such event, you must enter your PIN or other Security Credentials(s) as we may require to complete the transaction.

(g) Subject to Condition 9(f) of these Conditions, where Contactless Transactions on a Card have exceeded the amount per transaction, and / or number of transactions or cumulative amount as specified on the Website from time to time, subsequent transactions will require use of the Chip and PIN.

(h) The total currency conversion charges applied to any cross border Card Transaction will be displayed as a percentage mark up over the latest available euro foreign exchange reference rates issued by the European Central Bank (ECB). This information can be accessed on our Website <https://www.permanenttsb.ie/fxcalculator>

From 19 April 2021, all Personal Customers who use their Permanent TSB Debit or Credit card to complete non-Euro payment transactions within the EEA (online, at point of sale terminals or ATM cash withdrawals) will be notified by SMS message of the total currency conversion charges that apply to the transaction. The charges will be calculated as a percentage mark-up over the latest available euro foreign exchange reference rate issued by the European Central Bank (ECB)*.

The SMS will be sent once every month in which a customer transacts in that non-Euro currency.

An SMS will be sent to the card holder after completing the transaction, e.g. for joint accounts it will only be sent to the party making the payment or withdrawal. This SMS will be sent to the card holder's registered mobile number held by Permanent TSB which can be opted-out of by contacting Open24.

This notification will not be sent to Business Debit Card users.

*For the majority of transactions, the percentage mark-up sent to you in the SMS message will reflect the total currency conversion charges to be paid by you. However in a limited number of instances, due to the way some transactions are processed, the amount charged to your account may be slightly higher or lower than the initial pre-authorised amount.

10 PAYMENTS

(a) Payments using the Card may not be countermanded by a Cardholder for whatever reason and we may debit the amount of any such payment to the Card Account.

This includes circumstances where it is not possible to authorise a Debit Card Transaction whether for systems reasons or because no authorisation signal has been received by us, and circumstances where authorisation is not possible because the Card has been damaged.
- (b) We are not liable for any error or omission made by a Retailer through access to the authorisation service.
- (c) Where a Retailer becomes liable to make any refund to a Cardholder, we will credit the amount to be refunded only on receipt of a properly issued refund voucher or other appropriate verification of the refund by the Retailer. We will not be responsible for goods and / or services it does not supply and in relation to such goods and services we will have no dealings with a Retailer on behalf of the Cardholder.

PERSONAL & BUSINESS BANKING CHARGES

INTRODUCTION

This brochure provides full details of account and service fees and charges and explains how these charges may affect you.

You may be eligible for exemption from certain fees and charges. The eligibility criteria for fee and charge exemptions are contained in this brochure.

While the Bank updates customers' records to reflect account and address changes please advise your branch if your details require any further modification so as to ensure all exemptions apply.

Should you have a query on any charge, you should contact your branch or call Open24 0818 50 24 24.

GOVERNMENT CHARGES

Certain Government charges, which the Bank is obliged by law to collect, are debited from your Account even if you are eligible for exemption from account charges.

Under current legislation, the following Government charges will apply:

Cheques: €0.50 stamp duty per cheque, i.e. €20.00 for each book of 40 cheques issued.

Credit Cards: permanent tsb is obliged to deduct Government Stamp Duty (currently €30 per account) from your Account on the 1st April each year in respect of the previous 12 months or when you close your Account.

Credit Cards:

- Where customers switch accounts they should pay the stamp duty to the old bank or card issuer on closing the account. The old bank or card issuer will request the Stamp Duty in your final statement and will then issue them with a Letter of Closure. This letter will confirm that they have paid the Stamp Duty for the period in question. They are required to present this letter to the new bank or card issuer, who will not bill them for Stamp Duty for that period.
- If customer closes a credit card account during the year and does not switch to a new account a Stamp Duty charge will apply for the account maintained during the preceding year.

DEBIT CARDS

Usage of your Visa Debit Card will incur a government charge of €0.12 per ATM transaction capped at €2.50 (ATM Facility) or €5.00 (ATM & Debit Card Facility) per annum per card and will be charged to your account for each Card issued on your Account.

Please see www.Revenue.ie for more information on Stamp Duty

ACCOUNT FEES & TRANSACTION CHARGES

Unless otherwise specified, Account fees and transaction charges are debited from your current Account quarterly and cover the previous three month period. Your quarterly statement will detail your fees and charges, pre-notifying you fourteen days prior to debiting your Account.

A monthly or quarterly account fee is charged for maintaining the account and may also cover transaction charges depending on the Account you hold. For transactional charging purposes, lodgement and withdrawal items can be categorised as automated and non-automated transactions.

Automated transactions are as follows:

- ATM withdrawals
- Debit Card Transactions
- Standing order/Bill payment debits
- Direct debits
- Direct credits
- Telephone and internet banking transactions
- Euro ATM withdrawals within the EU
- Debit Card Transactions within the eurozone

Note – (i) ATM transaction charges will apply on Euro withdrawals outside the EU and on all non-Euro withdrawals at 3.5% of the Euro value of the transaction (min. €3.17 & max. €11.43) and (ii) A fee for using your Debit Card for purchases in foreign currency and on all debit transactions outside the Eurozone will apply at 1.75% of the Euro value of the transaction (min. €0.46 and max €11.43). The amount of the transaction will be converted at a rate of exchange determined by Visa on the date in which the transaction is debited to the account.

The total currency conversion charges applied to any cross border Card Transaction will be displayed as a percentage mark up over the latest available euro foreign exchange reference rates issued by the European Central Bank (ECB). This information can be accessed on our Website <https://www.permanenttsb.ie/fxcalculator>

The percentage mark-up will be calculated as follows:

$$\text{Visa Rate} + \text{PTSB Rate} = \text{Total Conversion Rate Applied} \\ \text{Latest ECB Rate}$$

From 19 April 2021, all Personal Customers who use their Permanent TSB Debit or Credit card to complete non-Euro payment transactions within the EEA (online, at point of sale terminals or ATM cash withdrawals) will be notified by SMS of the total currency conversion charges that apply to the transaction. The charges will be calculated as a percentage mark-up over the latest available euro foreign exchange

reference rate issued by the European Central Bank (ECB)*.

The SMS will be sent once every month in which a customer transacts in that non-Euro currency.

An SMS will be sent to the card holder after completing the transaction, e.g. for joint accounts it will only be sent to the party making the payment or withdrawal. This SMS will be sent to the card holder's registered mobile number held by Permanent TSB which can be opted-out of by contacting Open24.

This notification will not be sent to Business Debit Card Users.

*For the majority of transactions, the percentage mark-up sent to you in the SMS will reflect the total currency conversion charges to be paid by you. However in a limited number of instances, due to the way some transactions are processed, the amount charged to your account may be slightly higher or lower than the initial pre-authorised amount.

Non-automated transactions are as follows:

- Counter lodgements & withdrawals
- Cheque/paper debits
- Credit transfers incoming (paper items)

HOW TO REDUCE ACCOUNT FEES & TRANSACTION CHARGES

You can reduce the level of your fees and transaction charges by using the automated transactions whenever possible, rather than non-automated transactions. You may also be eligible for fee and charge exemptions. See the section on Fee & Charge Exemptions for further details.

<ul style="list-style-type: none"> Late payment charge 	<p>Where a mortgage repayment has not been made and any subsequent or current arrears on your loan are not cleared within 10 days of your monthly repayment date, interest is charged on the arrears at the mortgage interest rate. This late payment charge is calculated as one month's interest on the arrears balance and is applied to the outstanding balance of your loan.</p> <p>The late payment charge is represented by the formula below: $A \times ((R \div 100) \div T)$</p> <p>A = Mortgage Loan Arrears R = Mortgage Interest Rate T = 12 (i.e. to allow for one month's interest to be charged on the arrears balance)</p>
<ul style="list-style-type: none"> Property Valuation 	<p>As part of the mortgage application process, a property valuation will be required to be performed by a valuer approved by the Bank. The valuer will charge you a fee for this service, which is payable directly to the valuer and subject to a maximum level. Please ask a member of staff for the appropriate valuer fees</p>
<ul style="list-style-type: none"> Buy-to-Let Solicitors fee 	<p>A bank solicitor is required, for all Resident and Non-Resident Buy-to-Let mortgages, for loan amounts greater than €75,000. The amount payable, for a standard Buy-to-Let mortgage, is €1,000 plus standard rate of VAT and outlay. This amount is payable by the Borrower(s) and must be paid directly to the banks solicitor prior to the release of the loan cheque. The amount payable by the Borrower(s) is in addition to the borrower(s) solicitor fees.</p>

*For the purposes of the above fixed rate mortgage breakage fee worked example, a fixed balance of €100,000 representing the loan balance to be paid or switched at the date of Early Termination is used for "R". In the actual calculation of the fixed rate mortgage breakage fee payable to the Bank, a reducing loan balance approach is used to calculate "R". This approach is used to take into account the fact that, after the switch or Early Termination, the loan balance typically reduces due to scheduled repayments for the remainder of the fixed rate period. The fee calculated using a reducing balance approach will always be lower than the fee calculated using a fixed balance approach. Please contact your local Permanent TSB branch for further information.

INTEREST CALCULATION

Interest will accrue and be calculated on the daily balance outstanding and a 365 day year or 366 day in a leap year (i.e. interest is calculated daily on a 1/365 day basis, except in a Leap Year where the 1/366 day basis is used).

2% MONTHLY CASHBACK

Where you have both a qualifying mortgage and a permanent tsb Explore Account and where the scheduled monthly mortgage repayment is made from that permanent tsb Explore Account, you will receive 2% cashback on the monthly mortgage repayment until 31st December 2027.

The fees and charges applicable to the Explore Account and the Mortgage are as noted in the relevant sections of this booklet. There are no additional costs involved in order to avail of the 2% monthly cashback on your repayment, i.e. no extra cost for having both of these separate products

Where availing of the 2% monthly cashback, you have the right to terminate either or both of the products (these being the permanent tsb mortgage and the Explore Account). Terminating either product will cause the 2% monthly cashback payments to cease.

The Explore account currently incurs a monthly fee of €6 for maintaining the account. Neither this fee, nor the 2% monthly

cashback payment are included in the APRC calculations for your mortgage.

The Explore Account carries with it three specific features;

1. 10c back on Eligible Debit Card Transactions (excluding ATM Transactions);
2. Cashback on bills (when you pay by direct debit with one of our partners);

Account partners, features and benefits are subject to change.

The following table offers a comparison of the benefits available to customers who are the holders of both a permanent tsb Explore Account and a qualifying permanent tsb Mortgage.
